

AGS CONQUER PREFERRED OUTFITTER:

hirebus
Right Person, Right Seat.

RIGHT PERSON. RIGHT SEAT.

Hire, retain, and grow the most important asset in your business: Your people. HireBus offers you a scientifically-backed assessment that uncovers the 21 core behavioral tendencies, motivators, and values of candidates and employees. This understanding will not only put the right person in the right seat, but will also help you keep and grow them to their full potential.

KEY BENEFITS:

- Customized behavioral assessment for candidates and employees
- Specific role benchmarks for home service business owners
- Over 2 million people have taken the scientifically backed assessment

KEY FEATURES:

Hire

- Behavioral Blueprint maps the 21 core behavioral characteristics of candidates and employees
- Right Seat Score determines how good a fit the candidate is for a specific role
- Custom Interview Questions are generated for each candidate based off their unique profile and the role they are applying for

Retain

- Role Benchmarks indicate how a candidate or employee will fit across different roles in your business
- Conflict Tool predicts areas of conflict and collaboration between members of your team

Grow

- Coaching Report identifies key characteristics and growth opportunities for your team
- Coaching Videos educate employees on actions to grow themselves
